

GET YOUR BOOK DONE

Strategies for Writing Your Book

Hi!

I'm Judy Weintraub, CEO of SkillBites. At SkillBites, our aim is to make it easy, quick and convenient for you to become a published author. I'm excited to help you get your book written.

You want to get a book written, but you've never written a book before, and you've got lots of questions. How do you start? How do you pick the right topic? How long should the book be? How do you get it published? You aren't alone. Many authors face these same issues, and we've answered their queries and helped them get their books written. We've provided in this document Five Resources to get your questions answered so you will be better able to get your book written.

Let me know if these are helpful for you, and if you would like our assistance.

All the best,

Strategies For Writing Your Book

- 1 Call Us.** We offer a complimentary 15-minute consultation to answer your questions and help you get your book written. To schedule a time that is convenient for you, [click here](#)
- 2 Read our eBook.** We've written a short guidebook called *Write Your Book Easily* that answers a lot of questions that new authors have, and lays out a simple 10 step process for getting a book written, including how to select your topic, how to find time to write your book, and how to outline your book, among other key issues. To obtain a complimentary copy of this eBook, just go to <http://skillbites.net/ebook/>
- 3 Listen to the Top Secrets of Successful Authors.** We've created a webinar of best practices from successful authors to help you get your book written. To access this webinar, go to the SkillBites website and then click on the sidebar on the right for the webinar. Choose a time that works for you.
- 4 Hire a Book Coach.** A book coach can provide you with expert guidance for writing your book as well as an outlet for expressing your concerns and a sounding board for discussing issues. SkillBites offers book coaching. Give us a call and we'll hook you up with a book coach.
- 5 Take the SkillBites *Book It!* Course.** This course gives you a lot of background information on the book publishing industry and book writing, and walks you through a 3-phase process that will make it easier, less frustrating and quicker to get your book written. The course provides significantly more detail than our eBook. The course also includes a workbook that you can use to record your ideas as you go through the material, so when you've completed the course, you'll be all ready to write your book..

Contact us to register for this course.
